Re: Discontinuation of certain DOWSIL™ General Purpose Silicone Sealant GMIDs

This notification is to inform you that Dow will discontinue certain DOWSIL™ General Purpose Silicone Sealant GMIDs (the “Products”). The Products are listed in the table below. The discontinuation of the Products will be effective 31 May 2021.

Orders of the Products as of the effective discontinuation date will be filled. No new production or order modification will be allowed after that date. New orders from present date until 31 May 2021 will only be honored if there are existing stock quantities.

Please contact your Dow Account Manager and/or Technical Sales and Development representatives to learn about possible options to meet your needs.

Discontinued Products:

- DOWSIL™ GEN PURP SLNT ALUM,CRT,305ML-12CTN (4045021)
- DOWSIL™ GEN PURP SLNT GRAY,CRT,305ML-12CTN (4111203)

Please cascade this information throughout your organization and, if applicable, to your customers that will need to find a replacement. Please contact your local Dow Chemical Sales Representative with any additional questions or concerns.

Sincerely,

Brian J Marinik
Product Manager
